# MENTORING TO GROW YOUR BUSINESS

## THE PROCEDURE

Click on the Mentors' pictures and links for more information about them and their professional activities and once you have made your choices, please fill out [this Selection Form](#) and send to [info@sevenoakschamber.com](mailto:info@sevenoakschamber.com).

Once your form had been received by the Chamber Office your requests will be passed on to your first choices, if they are not available, to your second choice and so on.

Your choice will contact you to set a date and time and a pre-meeting discussion of any preparation that might be agreed appropriate.

The Chamber will be notified when the meeting has taken place.

You are under no obligation to book further meetings with your Mentor/Coach and you will not be pressured into doing so.

Following the meeting the Chamber will send you a Customer Satisfaction survey to complete and return. This is the full extent of the Chamber involvement with your meeting.

All other contact with the MGB Team will be held in strictest confidence following all professional protocols.
